

American Cultures Requirement

American Cultures is the one campus requirement that all undergraduate students at Cal need to take and pass in order to graduate. The requirement offers an exciting intellectual environment centered on the study of race, ethnicity and culture in the United States. AC courses offer students opportunities to be part of research-led, highly accomplished teaching environments, grappling with the complexity of American cultures and society.

Students may satisfy the requirement by passing, with a grade not lower than C- or P, an American Cultures course.
